Daxio Safe

- Each Safe Deposit is locked for 1 Year from the Deposit Date
- Reward is paid Daily.
- Earn up to 20% APY on your Safe Deposits or boost your APY up to 80% with one of the Base Multiplier Packages.
- Minimum 2,000,000 SDAX lock to reach higher levels.

Removal of Daxio License & License Requirement

To make the platform more exciting it is proposed to remove the Daxio License and the requirement to hold a valid platform license.

SDAX Raffle

- Purchased with SDAX
- Each entry is 100,000 SDAX (May be reduced if SDAX price increases.)
- 4 Different draws on each entry
Daily, Weekly, Monthly & Annual
- Jackpot Starts with 1 Million SDAX in each draw.

**NEW PROPOSAL: IT IS PROPOSED THAT AS A MAIN REWARD QUALIFIER
USERS MUST HOLD ATLEAST 1 TICKET IN THE UPCOMING MONTHLY DRAW.**

Starting the Node Platform

Node platform will be activated and all node license holders will start receiving the rewards.

Minting of NFT is **NOT** a requirement to activate node.

Node Rewards are distributed Monthly in arrears. First payout takes place March 1st

Daxio Node Licence

- 50,000 Licenses
- Purchased with: SDAX, LDAX & USDT
- Mint Node NFT to re-sell it: 0.1 ETH
- Active Node Licenses: Share the 20% Global Sales Pool
- Node Rewards are distributed Monthly in arrears first payout takes place March 1st 2024

IMPORTANT:

Minted NFTs are considered inactive licenses and will not earn any rewards until they are re-activated by a buyer.

Guardian NFT

- Mint 5 unique collectibles (Learn, Play, Win, Earn, Support) and get a Guardian by burning your collectibles.
- Each Guardian get 1 share in the Guardian Reward Pool
- The Guardian Reward Pool is fueled by 8% of the gross turnover
- **NEW: Each Guardian gets 1 share in the SDAX Liquidity Pool**
- **NEW: A PORTION OF THE ETH from Minting will be set aside and used to list SDAX on a major exchange like Kucoin.**

Guardian Rewards are distributed Monthly

Merging Packages & Upgrade

It is proposed to merge the Base Packages and upgrade users to Higher Package so that all users have 1 package.

- No minting of Base Packages will take place.
- Base Packages will be renamed to Booster Packages
- There will be **NO MINTING** of Booster Packages for future
